1.2 Definition

Half-time is defined as 50 percent (50%) or more of the time for full-time employees; i.e., three class periods and one preparation period or four and a half (4.5) hours inclusive of preparation time.

- Substitute Teachers
- Teachers on ninety (90) days or less short-term temporary contracts
- Confidential employees
- Classified

1.4 Purpose

The purpose of this article is to recognize the right of the bargaining agent to represent teachers in the bargaining unit in negotiations with the Board. Granting of recognition is not to be construed as obligating the Board in any way to continue any functions or policies. The Board reserves the right to create, combine or eliminate any position as, in its judgment, is deemed necessary.

1.5 Agreement Has Precedence

Those policies, rules, regulations, procedures and practices which conflict with this Agreement shall be discontinued and considered null and void for members of this bargaining unit.

ARTICLE 2.0 – STATUS OF AGREEMENT

2.1 Strikes and Lockouts

Except as allowed by ORS 243.650 through ORS 243.782, the teachers, as individuals or as a group, will not initiate, cause, permit or participate, or join in any strike, work stoppage, or slowdown, picketing or any other restriction of work that affects the operation of the District. Disciplinary action, including discharge, may be taken by the District against any employee or

employees engaged in a violation of this Article. Such disciplinary action may be taken at the option of the District and shall not preclude or restrict recourse to any other remedies, including an action for damages, which may be available to the District during the period of this Agreement.

There will be no lockout of employees in the bargaining unit by the District, as a consequence of any dispute arising during the period of this Agreement.

2.2 Separability of Provisions

If a court determines any item in this Agreement to in fact be in conflict with the laws of the State of Oregon or of the United States, it shall not be a binding part of this Agreement. Upon request of either the Board or the bargaining unit, the parties shall enter into negotiations for the purpose of attempting to arrive at a mutually satisfactory replacement for such provisions.

2.3 Maintenance of Standards

The District shall make a reasonable effort to maintain all general teaching conditions provided by this Agreement at not less than the highest minimum levels in effect at the time this Agreement is signed.

2.4 This agreement shall be effective as of July 1, 2017, and shall be binding on all parties and shall remain in full force and effect through June 30, 2021. The parties agree to reopen this Agreement to negotiate salary (Article 4, Section 4.1.1 Compensation) and insurance benefits (Article 4, Section 4.8 Insurance Benefits) and up to four (4) other articles of each party's choice for 2019-21. The parties shall begin negotiations for 2019-21 no later than May 31, 2019.

The remainder of this Agreement shall automatically be renewed and be binding for additional periods of one year unless either the Board or the Association gives written notice to the other not later than seven (7) months prior (December 1 will make negotiations compatible with the budget calendar) to the aforesaid expiration date of the Agreement of its desire to modify the Agreement for a successive term or to terminate the Agreement.

2.5 Compliance

Any individual contract between the Board and a certified teacher employed half-time or more, heretofore and hereafter executed shall be subject to, and consistent with, the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

2.6 Printing

Within thirty (30) days after the Agreement is signed, The District and Association shall execute two original copies of this Agreement. The Agreement will be posted on the District Website at: www.mapleton.k12.or.us.

2.7 Funding

The parties recognize that the revenue needed to fund the compensation provided by this Agreement must be approved by established budget procedures.

All such compensation is therefore contingent upon sources of revenue. The District agrees to include, in its budget requests, amounts sufficient to fund the compensation provided by this Agreement. The District does not guarantee any level of employment in the bargaining unit covered by this Agreement.

Teachers who are unable to report to work because of adverse weather conditions or other unforeseen circumstances shall be given the opportunity to make up missed days so that no reduction in pay results. Any pay reduction from missed days that are not made up will be from the summer (school) paycheck. Up to two inclement weather days may be made up through documentation of how teacher time was spent as long as student seat time is not affected. The time made up shall be in such increments as time missed.

Reimbursed classes must be pre-approved in writing by an administrator and must show a direct value to the students of the District. Classes requested by the District shall be reimbursed. Employees who terminate at the end of the school year will have their coverage continued until September 30th or until new coverage with another employer becomes effective, whichever comes first. New employees who are hired at the beginning of the school year will have their coverage start October 1st. The District shall provide \$20,000 employee life insurance, \$20,000 employee accidental death/dismemberment and 60 day/60% employee long term disability.

2. In 2018-2019 the District will pay a maximum amount for insurance per month per member equal to \$1320.00.

The parties shall begin negotiations for 2019-21 no later than May 31, 2019.
4. Should the parties fail to reach agreement on a successor Agreement prior to the expiration of this contract, the District hereby agrees to contribute, during the status quo period, a maximum amount for insurance per month per member equal to the total premium of the base year (e.g. 2018-2019) plus five percent (5%), or the actual cost of the insurance, whichever is less. Any costs above the District payment shall be borne by each member through payroll deduction.

- 4.8.2** The District will begin paying the new rate each year on the first day of the "insurance year," that is currently October 1 of each year.
- 4.8.3** For the duration of this Agreement, the Association agrees to appoint representatives to a Joint Insurance Review Committee and to cooperate with this committee's efforts to review available insurance programs and carriers and make recommendations for cost effective changes.

4.8.4 Employee Health Insurance Opt-Out

Any teacher who has other eligible comprehensive group medical insurance coverage may choose to Opt Out of the District's insurance. Eligible coverage is determined by Oregon Educator Benefit Board's Administrative Rule Division 40 (Declination of Coverage). The teacher must complete the Employee Opt Out Form annually and provide a copy of their insurance card as proof of coverage. Employees whose assignment is between .50 and .74 FTE will be eligible for the monthly Insurance Opt Out Stipend at the same percentage rate as their employment (i.e.; .74FTE receives 74% of the \$550 Opt Out Stipend).

District shall deposit seventy percent (70%) of the difference between the bargained monthly contribution and the cost of the employee's insurance selections, but not less than \$50.00 per month, into a HSA account up to the IRS maximums for individuals and family classifications. Additionally, an employee may contribute funds to bring the total employer and employee contributions up to the IRS allowable maximum for the calendar year.

4.9.1 The District agrees to make payroll deductions from the salaries of its regular teachers, as requested in writing by the individual teacher, and make remittance to the appropriate agency, as per Board policy.

4.9.2 The District agrees to maintain the current system of dues deduction.

4.9.3 The employees agree to hold the District harmless against any and all claims, suits, orders, or judgments brought against the District as a result of the provisions of this Article, except when the fault lies with the Board/ or its agent.

4.10 Outside Experience

Placement on Salary Schedule. Verification of hours earned shall be by official university or college transcripts filed with the superintendent's office.

All certified personnel will be placed in the (vertical) columns according to degrees held and credit hours earned. The District will count for initial placement in advanced columns those credit hours taken and completed after the date on the initial teaching certificate. (However, a teacher who earned a bachelor's degree in the direct subject area in which he/she is hired to teach, before earning a teacher's certificate, may have hours counted beginning after the date of the bachelor's degree if the hours meet all other contractual requirements.) Graduate hours marked on the transcript as reserved for graduate credit but taken before the award of the bachelor's degree and not counted towards the bachelor's degree will count toward placement on the salary schedule.

To be counted initially as a year of experience, the experience must be full-time for at least 1,080 hours from a four (4) day work week or one hundred thirty-five (135) days in a five (5) day work week consecutive workdays in a teaching assignment in a public or private school with a school day and course of study approximating that of the District. To be counted, the experience must have occurred after the teacher held a teaching certificate from some state. Experience other than teaching or counseling in an elementary or secondary school may be approved by the superintendent or designee upon verification that it was comparable to or equivalent to the assignment for which the teacher is hired in the District. The maximum number of years the District will transfer in is equivalent to the number of steps on the Salary Schedule.

4.11 Advancement on Schedule

Credits earned during the summer may be applied to changing educational level, if the official transcripts verifying the credits are recorded in the superintendent's office by October 15th. To move horizontally on the salary schedule after initial placement, certified personnel must notify the District Office when returning contract renewal form and show intent to obtain the required number of graduate level hours from an accredited institution. The teacher must earn a grade of "C" or better ("pass" on a pass/no pass system). Official transcripts verifying credits are to be recorded in the superintendent's office by October 15th.

4.12 Extra Duty Pay

Extra duty pay for extra duty service for 2017-2019 shall be in accordance with appendices A-3A, A-4A and A-5A, which by this reference are incorporated herein.

4.12.1 In filling extra duty positions, the District shall make every effort to seek qualified volunteers from the District staff; if positions remain unfilled, the District retains the right to assign staff to these positions.

4.12.2 Extra duty contracts shall be issued separately from teaching contracts.

4.12.3 Evaluation of extra duty performance shall be separate from and in addition to evaluations of teaching performance.

4.13 Extracurricular Activities

In filling extracurricular activities, the District shall first make every effort to seek non-staff volunteers; if necessary, the District retains the right to assign staff to these positions.

4.13.1 Extra pay for teacher participation in extracurricular activities during 2017-2019 shall be in accordance with appendices A-3A, A-4A and A-5A, which by this reference is incorporated herein.

4.14 Public Employees Retirement System

The District shall "pick-up", assume, and pay the employee contribution for members eligible to participate in the Public Employees Retirement System (PERS), and/or the OPSRP fund. The full amount of the required employee contributions "picked-up" or paid by the District on behalf of employees shall be considered as "salary" within the meaning of the law for purposes of determining an employee member's "final average salary" within the meaning of the law (ORS 238.005(8) and ORS 238A.130) but shall not be considered as "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to the law. Such "picked-up" or paid employee contributions shall be credited to employee accounts pursuant to the law and shall be considered to be employee contributes for the purpose of the law." Pursuant to ORS 238A.335 (2)(a), the parties agree that employee compensation has been reduced in order to generate the funds needed to make these employee contributions; the employer will file any required notices with the Public Employees Retirement Board.

ARTICLE 5.0 – CALENDAR

5.1 School Calendar

It is recognized that the Board has the right to establish the annual school calendar. It has been established that the District will operate under a four-day school week. Annually, prior to the final adoption of the school calendar by the Board, the proposed calendar(s) shall be submitted to the Association for review and recommendations.

5.1.1 Seven (7) Professional Development Days will be included in the school calendar. Each Professional Development Day shall be scheduled to provide at least two (2) uninterrupted, contiguous hours set aside for teachers to work in their classrooms. Any exception to this schedule must be approved by the majority of certified participants.

5.2 Work Year

Contract days in the school calendar shall be as follows: Minimum of 159 days with a maximum of 169 days.

5.3 Holidays

Paid holidays shall be Labor Day, Veterans Day, Thanksgiving Day, the day after Thanksgiving Day, New Year's Day, and Memorial Day.

5.4 Statewide Teacher In-service Day

5.6 Workday

The normal workday for teachers shall be nine (9) hours during instruction days and (8) hours on non-instructional days. Each day will include a minimum of one-half (1/2) hour duty-free lunch.

ARTICLE 6.0 – DISTRICT DUTIES

6.1 Management Rights

The Board, on its own behalf and on behalf of the electors of this District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon, and invested in it, by the laws and the Constitution of the State of Oregon and of the United States, including, but without limiting the generality of the foregoing, the right:

- 6.1.1** To the executive management and administrative control of the school system and its properties and facilities, and school-related activities of its employees;
- 6.1.2** To hire all employees and, subject to the provision of law and this Agreement, to determine their qualifications, and the conditions for the continued employment, or their dismissal or demotion;
- 6.1.3** To establish grading systems and course of instruction, including special programs; and to provide for athletic, recreation and special events for students, all as deemed necessary or advisable by the Board;
- 6.1.4** To exercise final authority upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature;
- 6.1.5** To determine class schedules, the hours of instruction and the duties, responsibilities, and assignments of teachers with respect thereto, and extracurricular activities, and the terms and conditions of employment.

6.2 Limitations

The exercise of the foregoing powers, right, authority duties and responsibilities by the Board; the adoption of policies, rules, regulations and practices in furtherance thereof; and the use of judgment and discretion in connection therewith shall be limited only by the specific and expressed terms of this Agreement, and then only to the extent such specific and expressed terms hereof are in conformance with Constitution and laws of the State of Oregon and the Constitution and laws of the United States.

- 6.3** Nothing in this Agreement shall be interpreted as interfering in any way with the Board's right to alter, rearrange, change, extend, limit or curtail its educational operations or any part thereof, unless specifically provided for in this Agreement.

ARTICLE 7.0 – RIGHTS OF TEACHERS

7.1 Organizing

Teachers shall have the right to organize, join, and assist the Association to participate in professional negotiations with the Board through representatives of their own choosing; and to

engage in other activities, individually or in concert, for the purpose of establishing, maintaining, protecting, or improving conditions of professional service.

7.2 Conformance with Law

Nothing contained herein shall be construed to deny any teacher his/her rights under the constitutions and laws of the United States and the state of Oregon, or under applicable laws and regulations.

7.3 Required Meetings or Hearings

Whenever any teacher is required to appear before the Board, concerning a matter which could adversely affect the continuation of that teacher in his/her office, position, or employment, or the salary or any increments pertaining thereto, then he/she shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association or legal counsel as approved by the Association present to advise and represent him/her during such meeting or interview. Any suspension of a teacher pending charges shall be with pay. Nothing in this section shall be interpreted to restrict the superintendent from consulting with staff members to gather information or give direction or clarification without a representative of the Association being present.

7.4 Evaluation of Students

Within the framework of statewide and District standards, the teacher shall maintain the right and responsibility to determine grades and other evaluations of students relating to their classroom performance. No grade or evaluation given by the teacher shall be changed without the approval of the teacher, unless the student, parent(s) or legal guardian(s) file an appeal with the building principal within six (6) months of the issuance of the grade or other evaluation. The principal may change the grade, establish additional requirements or refuse the appeal.

7.4.1 The Board shall hear appeals not resolved to the satisfaction of either party.

7.4.2 The Board may change the grade, establish additional requirements, or refuse the appeal.

7.4.3 The Board's decision shall be final and binding.

7.4.4 If the teacher has left the District or is otherwise unavailable, the principal shall appoint a teacher as a representative.

7.5 Criticism

Any questions or criticism by a supervisor, administrator, or Board member of a teacher and his/her instructional methodology shall be made in confidence and not in the presence of students, patrons or other public gatherings. This does not prohibit teachers and Board members from sharing non-confidential concerns with each other at Board meetings.

7.6 Association Identification

No teacher shall be prevented from wearing pins or other identification of membership in the Association or its affiliates.

7.7 Discipline

No teacher in the bargaining unit shall be disciplined, reprimanded or reduced in rank or basic salary without just cause. Any violation of this provision may be used as a basis for grievance; however, this article does not apply to the dismissal of contract (permanent) or probationary teachers or the nonrenewal of probationary teachers' contracts (such matters are excluded because they are governed by Fair Dismissal Law).

7.8 Personnel Files

The official files of all teachers are confidential and shall be kept in the central office. Personnel files are the property of the District; therefore, a teacher may examine, attach a rebuttal to materials, or add relevant materials of his/her own choosing only in the central office under the supervision of the superintendent. The District shall provide the same confidentiality to electronic files as it provides physical files and all rights pertaining thereto.

7.8.1 The District will make available a copy of any document required of the teacher for his/her own file. The teacher may be required to pay the actual cost of the copy.

7.8.2 The teacher may name, in writing, any other person than him/herself who may examine his/her personnel file.

7.8.3 The personnel file maintained in the District office shall be the sole repository for any and all materials related to the employment of each teacher. A principal may keep a working file to assist in supervision.

7.8.4 Teachers shall receive copies of any and all materials placed in their personnel file at the time of original placement.

7.8.5 Material not available to the teacher will not be used by the District when considering demotion, discharges, discipline or other involuntary changes in employment status.

7.9 Nondiscrimination

10.2 Order of Layoff

The District shall follow ORS 342.934 when reductions in staff are necessary.

1. The procedure for reduction in teacher staff positions resulting from the District's lack of funds to continue in its educational program at its anticipated level or resulting from the District's elimination or adjustment of classes due to administrative decision shall be as follows. However, nothing in this section is intended to interfere with the right of a fair dismissal district to discharge, remove or fail to renew the contract of a probationary teacher pursuant to ORS 342.835.
2. The District shall make every reasonable effort to:
 - a. Transfer teachers of courses scheduled for discontinuation to other teaching positions for which they are licensed and qualified.

3. In determining teachers to be retained when the District reduces staff the District shall:
 - a. Determine whether teachers to be retained hold proper licenses at the time of layoff to fill the remaining position.
 - b. Determine seniority of teachers to be retained calculated from the first day of actual service as teachers with District inclusive of approved leaves of absence. Ties shall be broken by drawing lots.
 - c. Determine competence of teachers, if necessary.

If the District desires to retain a teacher with less seniority than a teacher being released under this section, the District shall determine that the teacher being retained has more competence than the teacher with more seniority who is being released. Competence is defined as the ability to teach a subject based upon recent teaching experience related to that subject in the past ten (10) years, educational attainment within the last five (5) years, or both. Consistent with the definition of competence, however, so long as a teacher is already licensed in a given area, subject, or endorsement area at the time that a layoff is declared, the District may consider the willingness of the teacher to pursue additional training and educational preparation, at the cost of the employee, unless requested by the District.

As an exception, the District may recall a less-senior teacher if the District can demonstrate that the less-senior teacher has more merit or competence than the more-senior teacher.

10.4.2 At the time of layoff, the District shall provide laid-off employees the opportunity to express in writing a desire to return to the District. At the time of layoff, the employee

will provide the District with an address to which notices shall be sent. In the event of a recall, the District shall notify an employee of recall by Certified Return Receipt sent to the last address given by an employee to the District office. The employee will have sixteen (16) calendar days from the receipt of such notice to return. Failure of a teacher to respond within the time herein specified shall terminate his/her rights to recall.

10.4.3 No vacancy in the bargaining unit shall be filled until all laid-off employees have been offered a recall, provided they are certified for the vacancy.

ARTICLE 11.0 – TEACHER EVALUATION PROCEDURE

11.2 The procedures used for teacher evaluation shall be in accordance with ORS 342.850(2)(b)(A) through (D). The District shall implement the evaluation process that includes:

1. The establishment of job descriptions and performance standards which include but are not limited to items included in the job description;
2. A pre-evaluation interview which includes but is not limited to the establishment of performance goals for the teacher based on the job description and performance standards;
3. An evaluation based on written criteria which include the performance goals;
4. A post-evaluation interview in which:
 - a. The results of the evaluation are discussed with the teacher; and
 - b. A written program of assistance for improvement is established, if one is needed to remedy any deficiency specified in ORS 342.865 (1)(a) inefficiency, (d) neglect of duty, including duties specified by written rule; (g) inadequate performance; or (h) failure to comply with such reasonable requirements as the board may prescribe to show normal improvement and evidence of professional training and growth.

11.3 The performance of each teacher shall be either formally or informally evaluated in writing. Probationary teachers shall be formally evaluated at least two times during the school year. Teachers may request additional evaluations. If artifacts are to be used in the process, employees shall have the right to select their own artifacts so long as they are in alignment with professional growth and student learning goals.

11.4 Two (2) copies of the final evaluation shall be submitted to the teacher at the time of the personal conference or within ten (10) days thereafter: one copy is to be signed to be placed in

the teacher's personnel file and one copy to be retained by the teacher. Teachers may attach written objections to evaluations in writing to the copy to be placed in the personnel file with a copy to the superintendent. Should the District move to an electronic evaluation document storage system, each employee who is being formally evaluated shall still receive a physical, date-stamped copy of all information used in the completion of the final document. The District shall provide the same confidentiality of electronic evaluation files the it provides for personnel files.

- 11.5** Observations of a teacher's work performance shall be conducted openly.
- 11.6** Within 4-5 working days of an observation/evaluation the observer/evaluator shall give the teacher a copy of the observation summary form. After receipt of the form the teacher may request written suggestions for improvement.
- 11.7** If the District determines that a written Program of Assistance is necessary, the employee shall be notified in writing with a copy to the Association president. The employee has the right to Association representation from the point of notification of intent to be placed on a program of assistance.
1. A program of assistance shall be implemented prior to any decision by the District to terminate employment where classroom performance standards have allegedly not been met. Plans will be written with a minimum duration of ninety (90) days, sixty (60) of which must be done prior to March 15. Should the employee not be placed on a program of assistance sixty (60) days prior to non-renewal, the teacher will be renewed, but may be placed on a program of assistance.
 2. It is understood a Program of Assistance is initially for the improvement of instruction and is limited to District/TSPC standards for classroom performance. The deficiencies and corrections shall be written as specifically as possible.
 3. A Program of Assistance is not to be used to discipline teachers and any disciplinary action will follow the standards of due process and progressive discipline.
 4. Nothing in this Article shall relieve a teacher from his/her responsibility to maintain satisfactory performance levels in all areas related to the effective fulfillment of teaching responsibilities, whether or not previously identified as an area of weakness.
 5. The Program of Assistance will be developed by the evaluator with input from the employee and, at the employee's request, the Association.
 6. All follow-up meetings with employees on Programs of Assistance shall be held at the end of the student contact day unless the employee has the last period as his/her preparation time in which case it may be held during the preparation time.
 7. The use of peer assistance during Programs of Assistance is voluntary. No verbal or written records resulting from peer assistance will be used in any portion of the evaluation or Program of Assistance process.

12.1 Definition of Terms

12.1.1 A “vacancy” is a position in the bargaining unit that has become permanently vacated or one which has been newly created and which the employer intends to fill.

12.1.2 A “temporary vacancy” is a position designated as temporary or experimental, or a vacancy that occurs after the opening of school because of unanticipated enrollment or because of the death, disability, retirement, resignation, or dismissal of a permanent or probationary teacher.

12.1.3 A “voluntary transfer” request is one initiated by the teacher for a change in assignment to another bargaining unit curricular assignment in the same or in a different building.

12.2 Posting of Vacancy Lists

12.2.1 The District shall post in all school buildings a list of the known vacancies, including job descriptions, which will occur during the following school year.

12.2.2 Under normal conditions, no such vacancy shall be filled unless it has been posted for at least seven (7) calendar days.

12.2.3 Administrative or supervisory position vacancies shall be posted in the same manner as vacancies in the teacher bargaining unit.

12.4 Involuntary Transfers

12.4.1 When a teacher is involuntarily transferred, he/she will have the opportunity to make known to the appropriate administrator his/her wishes regarding a new assignment.

12.4.2 Notice of an involuntary transfer will be given to the teacher as soon as possible.

12.4.3 When an involuntary transfer or reassignment is necessary because of enrollment decline, and when two candidates are equally qualified for the position to which one will be transferred, the teacher with the least seniority will be transferred.

12.4.4 An involuntary teacher transfer will be made only after a meeting between the teacher and the appropriate building administrator, at which time he/she will be given the reasons for the transfer.

12.4.5 When it becomes necessary for a teacher to transfer because of changes in enrolment or program, the District will give the transferred teacher first consideration over new hires in filling any vacancy for which the teacher is qualified and has expressed interest.

12.4.6 Transfer may not be used as a means of discipline.

ARTICLE 13.0 – MAINTENANCE OF CLASSROOM CONTROL AND DISCIPLINE

13.1 The Board retains the right to determine the duties and responsibilities of its employees as they pertain to student discipline. Instructions shall be reduced to writing and will be given to each teacher and reviewed at the start of the school year in-service.

Such exclusion is subject to an IEP, Section 504 requirements or a behavior plan which may be in place for certain students. Legal requirements in state and/or federal law, and these documents, may prevent exclusion in certain cases.

Prior to return to the classroom in such cases, the principal or his/her representative shall arrange, under normal circumstances not later than the conclusion of the following school day, a conference among him/herself, the teacher and possibly an appropriate specialist to discuss the problem and decide upon appropriate steps for its resolution. When a teacher removes a student from the room, he/she shall remain in the responsibility of the teacher until the teacher informs the principal or his/her representative.

ARTICLE 14.0 – FAIR SHARE AGREEMENT

14.1 To assure that teachers covered by this Agreement are adequately represented by the Association, the District shall deduct an amount equal to one-eleventh (1/11) of the dues of the Association each month for eleven (11) consecutive months from the pay of each teacher who is not a member of the Association, beginning with the paycheck for the month of October, and remitted monthly as a fair share fee commensurate with the cost to the Association of collective bargaining and contract administration.

Such request for payroll deduction or certification of direct payment of dues shall be made by the fifteenth (15th) day of October.
- 14.3** The Association certifies that this Agreement is formally executed pursuant to the approval of a majority of all the teachers in the bargaining unit.
- 14.4** The Association shall, if necessary, indemnify the Board and will take all steps necessary to save the Board harmless from any and all claims, demands, suits, or other forms of liability that might arise from or by reason of, action taken or not taken by the Board for the purpose of withholding Fair Share dues, or by reliance by the Board upon any list, notice, assignment, or revocation furnished pursuant to the provisions thereof.

ARTICLE 15.0 – COMPLAINT PROCEDURE

- 15.1** The Board recognizes that the District employees seek to carry out their responsibilities in the best possible manner. However, there may be times when complaints are made against a District employee. A complaint is a written criticism made against an employee. It is the intent of the Agreement to provide a complaint procedure that will handle such complaints expeditiously and fairly.
- 15.2** If a complaint is made against a District employee to an administrator, Board member, or supervisor, such complaint shall be processed under the following circumstances:

The Board will make the sole decision whether conditions in this section have been met, and whether the Agreement will be reopened.
- 17.2** Economic provisions are salary (including step and column movements), extra duty pay, tuition reimbursement, insurance, and contract days worked.
- 17.3** If the Board requests to reopen this Agreement (as per item 1 above), it will notify the Association in writing and the parties agree to meet no later than ten (10) working days after notice has been given to the Association to determine such need to bargain exists. Such bargaining, if necessary, will be under ORS 243.712; however, the initial bargaining period shall be reduced to ninety (90) days.
