CLOTHING FOR PRESCHOOL

- Remember preschool can be messy! Please do not send your child in any clothing that restricts them from messy play, running, jumping, climbing or tumbling.
- Children should wear clothing that they can do themselves. **NO** belts that need adult help each time they use the bathroom, or jeans that cannot be buttoned independently.
- **NO** shoes that require an adult to tie each time, If your child cannot tie their own shoe, they need to wear shoes they can slip on or strap themselves. We will be teaching shoe tying! It will be a special day when your child can wear shoes with a tie to school, because everyone will know they have mastered this skill!
